American Legion, Hurst-Euless-Bedford Post 379 – Bedford, Texas

Our “BOYS” from Texas are at it again. In their effort of continued support for Old Dawgs & Pups, American Legion, Hurst-Euless-Bedford Post 379, from Bedford, Texas has made another contribution to our program. Mike Regan (NKP 1971-72) a member of the Post just presented us with a check in the amount of \$600.00. Again, we have promised the post that “We will spend it will all down range!” Their committee will continue to review our program and hopefully our partnership will continue to support our deployed troops. Thanks Mike and all of the members of Hurst-Euless-Bedford Texas American Legion. Stay tuned for more information!

FOB O’Ryan – Iraq

Short timer! It’s been a while but we just received this photograph of SSG Audra Rose and MWD Folti. Her tour is winding down but she’s doing fine – great to hear from you Audra – just great! SSG Rose is supported by Mike Diercks (Korat).

Trust me, these are real DOG PEOPLE.

Joint Base Balad – Presentation to Old Dawgs & Pups

One their way out – the Joint Base Balad “crew” of January – October 2009 presented this beautiful gift to Old Dawgs & Pups – when it arrived, I for one was just speechless!

This photograph really doesn’t do the shadow box justice – it is just breathtaking. In case you can’t read the inscription – here it goes!

Helping Udders!

August 15, 2009

It is with great pleasure that the Thailand Dog Handlers announce a new partnership with “Helping Udders” to provide cooling vest for our deployed Airmen, Soldiers, Sailors, and Marines down range! Through the generosity of “Helping Udders” we have shipped six more cooling vests and extra cooling packs to our troops at Qatar and Bagram, Afghanistan. That’s a total of **sixteen** vests down range! Thanks Helping Udders and thank you for being part of Old Dawgs & Pups!

New vests have been shipped to:

SSgt Dustin Vigil, SSgt Jason Adams, SSgt Taylor Rogal, SSgt Steven Gonzalez,
Sra Nichole Jensen, and SrA Lauren.

To date, we have shipped vests to FOB Delta, FOB Warrior, Joint Base Balad, and Camp Victory, Iraq; Bagram, Afghanistan; Al Udeid Air Base, Qatar; and Al Dahfra, United Arab Emirates.

These vests have been purchased and shipped through the generous donations to Helping Udders. To date Helping Udders has shipped **299** to the AOR – way to go Mikel & Helping Udders!

Mikel gets very excited when she calls me to tell me that donations have been received. Thanks also go out to President Pam O’Day and the members of the Talcott Mountain Agility Club of Connecticut. Check their site <http://www.tmacagility.org/>. They donated four vests to OD&P!

Helping Udders, through their donations have donated (16) Cooling vests and extra cooling packs to our OD&P Program! CHECK THEIR WEBSITE: <http://www.helpingudders.com/> AND <http://www.helpingudders.com/MWD.htm> - They sell “cool dog stuff” – Check them out!

We’ve heard nothing but great comments about these vests by the handlers that have received them. We’ll have some photographs posted now and then of the dogs, handlers, and their new vests. The vest and extra cooling packs are \$228.00 each. Now that our program is up and running – please watch for our continual updates. Stay tuned for more details on this one! **The total value of the donation is now \$3,648.00.**

SrA Manuel Rodriguez and MWD Diesel show off their new vest at the Davis-Monthan AFB, Arizona, training area before they deploy to Al Dahfra, UAE, later this month. This team can also use their vests when they return home from their deployment due to the extended heat in Arizona.

I wanted to thank you again for everything.” This dog team is deployed from the 12th SFS, Randolph AFB, TX. SSgt Rogal & Teri are supported by John Risse (Pleiku) and Virginia Gilliam (FoK).

Camp Cropper – Iraq

SGT Chantel Razack, the Kennel Master at Camp Cropper has a “whole handful” of Air Force troops and from what we understand she is keeping those “dudes” in line. Seriously, she advised us that the heat has been taking a toll on them. So, we put the wheels in motion and shipped them “booties” purchased from Ray Allen (thank you Chawntell for the price break and getting them out so quickly – we really appreciate your help!), window tint from Checkers for their patrol vehicles, and a few squeegees for their kennels. Hopefully this equipment should be on the ground in a few weeks to help with the heat. Also, welcome aboard SGT Razack!

Dog handler team 'lose an Airman'

by Staff Sgt. J.G. Buzanowski
AFCENT Combat Camera Team

8/13/2009 - BAGRAM AIRFIELD, Afghanistan -- The 455th Expeditionary Security Forces Squadron security forces dog handler team have lost an Airman. Or at least the 134-pound equivalent of one.

"That's the funny thing - that's about what one of our guys weighs," said the NCO-in-charge of the team, Tech. Sgt. Drew Odell. Collectively the team has lost 134 pounds since their deployment began in the spring. They're here as part of the 455th ESFS and in addition to patrols, the dogs search for drugs and explosives on the base.

When they're not training with their German shepherds or making improvements to their compound, they spend their time staying fit. For fun, they go on group runs, sometimes up to eight miles at a time. "Patrolling the base and keeping it secure are our jobs," said Sergeant Odell, deployed here from Davis-Monthan Air Force Base, Ariz. "But the dogs have to stay in shape too, so they run with us."

Staying in shape is an important aspect of the defenders' every day mission, said the squadron superintendent, Chief Master Sgt. David Makowski, also deployed from D-M. "Fitness is one of my top three priorities for all my Airmen," the chief said. "And for the dog handlers, if either they or their dog is out of shape, their performance suffers. It gives me a great sense of pride to see what they've done not only on duty, but off duty as well. Especially Sergeant Kitts."

Staff Sgt. Justin Kitts, deployed from Luke AFB, Ariz., has lost almost 50 pounds since the start of his deployment back in March. Like the other handlers, the 8-year Air Force veteran regularly exercises with his German shepherd, Mayo. "I knew when I came here I needed to lose weight," Sergeant Kitts said. "I was living an unhealthy lifestyle before I came here and one of my goals was to change that."

Sergeant Kitts and his wife were eating a lot of fast food since she was pregnant and it was easier to make those kinds of compromises after he'd come off a 12-hour shift. But after seeing his newborn daughter, he's "got something more to live for now." "I don't want to just be fit to fight for my team, I want to live a long and healthy life so I can see my little girl grow up," he said. "I'm eating better, exercising regularly and also working to become a certified personal trainer. I had a lot of people motivate me, so this will be a way to give back and help others stay fit to fight."

Justin Kitts stretches with his German shepherd, Mayo, Sergeant Kitts an eight-year Air Force veteran is a dog handler with the 455th Expeditionary Security Forces Squadron and is deployed from Luke Air Force Base, Ariz. He and his dog patrol the base and inspect mail, luggage, and vehicles for narcotics. (U.S. Air Force photo/Staff Sgt. J.G. Buzanowski)

NOTE: Those of you going to the VSPA reunion will get to meet SSgt Kitts & Mayo at Luke AFB. This team is supported by Phil Carroll (Takhli & NKP) & Patsy Perrotto (NKP)

Other News concerning OD&P Graduates!

SSgt Kimberly Harting is short and should be heading home from Honduras in the near future. She has been supported by Juli Warner and Jim Stastny. Here are a few photos of Kim and Kanto! She's teasing Kanto and he loves it! A quick bath? A great looking dog team wouldn't you say? Kim's been with us for several deployments and we hope she gets some "stateside time" now.

Here's this month's update on the K-9 Supply Program
