**This edit of "K-9 Supply" is dedicated to Ida "Marie" Zeak**

*It is with the deepest sympathy that we report the passing of Ida "Marie" Zeak, 75, of Cocoa, Florida, on February 8, 2014. We just learned of Marie's passing. Marie was one of our "original" sponsors of "Old Dawgs & Pups" in 2005. She shared sponsorship of our first pup, SSgt Jon Sarabia, at the 407<sup>th</sup> ESFS, Iraq, and also supported TSgt Matt Rebholz during his tour at Camp Diamondback, Iraq in 2006. She was a kind lady with a wonderful heart and spirit. Her support of our deployed MWD teams was tireless and she will be greatly missed and always remembered.*

Hello everyone! We are currently supporting six (6) kennels and twenty-three (23) deployed Air Force, Army, Navy, and Marine teams as of February 15, 2016. February 2016 brings us to ten years and seven months of operation for our "Old Dawgs & Pups" program. Once again, I'd just like to say thank you to all of you that have supported our awesome programs and especially our troops and their canine partners deployed down range.

### **Area of Operation Status - K-9 Teams Arriving/Departing**

Due to the worldwide security issues and concerns for safeguarding our troops, we will not be listing the names of the bases or countries, in which our troops are deployed. All locations will be listed as "Undisclosed Location Southwest Asia" (UDL). We are currently supporting troops at four locations in Southwest Asia. We have sixteen (16) new pups to introduce this month.

## Air For Paws Fundraiser – Morgan Hills, California

If you are in the area, please stop by and say hello. One half of the proceeds for this event goes to Air For Paws and supports OD&P

### Old Dawgs & Pups Fundraiser T-Shirt

We are exploring the possibility of creating an “Old Dawgs & Pups” T-Shirt to raise funds to purchase supplies for our troops down range. We haven’t had a fundraiser since 2014 and it would be very helpful right now as troops continue to deploy and participate in our program.

Right now we are exploring a 50/50 cotton/poly blend short sleeve T-Shirt. Our plan is to price the shirt at **\$20.00 per shirt (S-4XL) including shipping**. The shirt will be “OD” Olive Drab with white or black lettering.

Please contact Bill Cummings if interested in purchasing a shirt. If there's enough interest we will proceed.

## Undisclosed Location Southwest Asia #1 – 379<sup>th</sup> ESFS

TSgt Kevin Nelson, Kennel Master, is deployed from the 802<sup>nd</sup> SFS, Jt. Base San Antonio-Lackland, was greeted by our VSPA friend, and Pease Greeter, Bud Owens (Binh Tuy), during a layover enroute to Southwest Asia. Thank you Bud and all of the Pease Greeters (they have met over 600 flights and have welcomed more than 170,000 troops since 2005) for the great job that you do for our troops! TSgt Nelson, one of our newest Alpha Dogs, is supported by Ernest Childers (Udorn) during this tour.

TSgt Kevin Nelson suits up TSgt Max Soto in preparation for a little “in-house” training with the troop that have recently arrived at this location. TSgt Nelson is deployed from the 802<sup>nd</sup> SFS, Jt. Base San Antonio-Lackland and he is supported by Ernest Childers (Udorn). TSgt Nelson is one of our two newest Alpha Dogs, deploying three times with OD&P.

On the right SSgt Jahmal Hardy and Nero get in a little warm up before the training begins. Man, don’t you guys just miss this drill? We’re still pairing up troops at this location so stand by for incoming information on new pups next month.

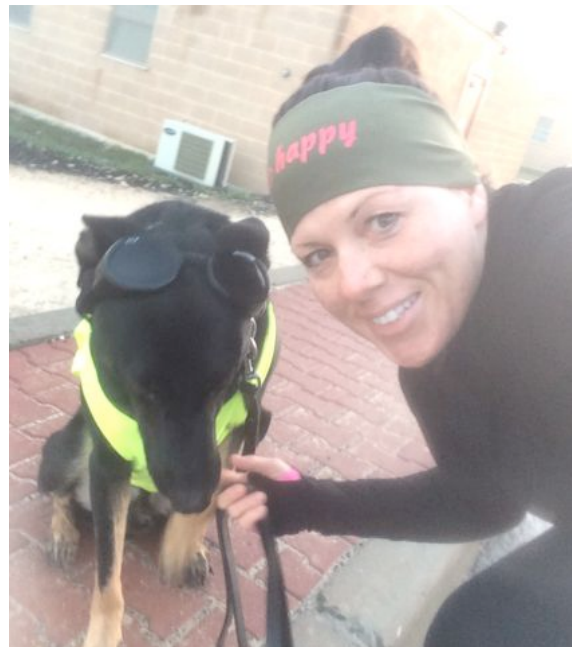

## Undisclosed Location Southwest Asia #1 – 379<sup>th</sup> ESFS – Continued

**Left:** We'd like to introduce some of our newest teams; SSgt Nicholas Simmons & MWD Fox; deployed from the 72<sup>nd</sup> SFS, Tinker AFB, Oklahoma and they are supported by Bob Citrano (NKP).

**Right:** SSgt Michael Castilleja & MWD JoJo; deployed from the 72<sup>nd</sup> SFS, Tinker AFB, Oklahoma, are also "Boots on the Ground" (BOG). Scotty Baker (Safeside) supports Team JoJo.

## Undisclosed Location Southwest Asia #2 – 386<sup>th</sup> ESFS

SSgt Kimberly Harting and MWD Nero recently competed in their first 5K run event before heading back to the 45<sup>th</sup> SFS, Patrick AFB, Florida. As you can see, Nero just didn't want the fun to be over. He's bringing some of that sand back to the states – Kim will never get all of that out of his coat. SSgt Harting was our first time four-time deployer and the team just had a ball and we have the photographs to prove it. Team Nero is now stateside and enjoying some well-deserved leave time. Steve and Lise Gattis (CRB) supported them during their tour.

## Undisclosed Location Southwest Asia #2 – 386<sup>th</sup> ESFS - Continued

**Left: SSgt Kyle Smith & MWD OOpey are deployed from the 633<sup>rd</sup> SFS, Jt. Base Langley-Eustis, Virginia and Mark Smoot (NKP) supports them. This is OOpey's second tour with OD&P.**

**Right: SSgt Adrian Mac & MWD GGreta taking a moment to share that special bond. “Who’s your daddy”? That would be SSgt Mac of course! Great looking dog team having a little fun.**

## Undisclosed Location Southwest Asia #3 – 380<sup>th</sup> ESFS

**SSgt Kenten Yates and MWD PPixie and the handlers of the 380<sup>th</sup> ESFS recently completed a “demo” during the opening for their new kennels. This young lady, MWD PPixie, is starting to get a little reputation for her actions during training. High speed and low drag – just the way you want a MWD.**

**Here’s how it goes: Identify the target; lock on to the target; survey down range; release on the object of her attention; attack and hold; receive praise. Looks like PPixie has all of the objectives covered. Good girl PPixie – Good GIRL!**

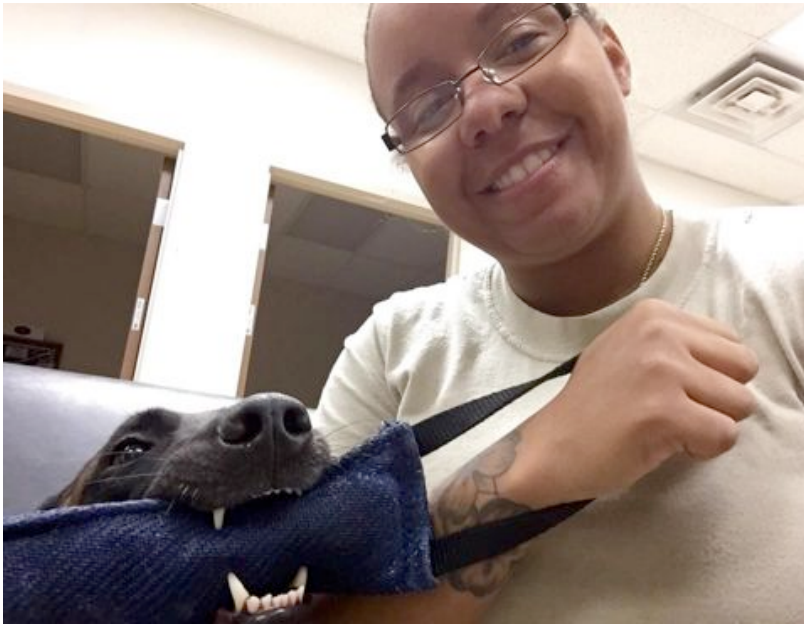

## Undisclosed Location Southwest Asia #3 – 380<sup>th</sup> ESFS – Continued

Sometimes officers don the bite suit and like everyone else – they hit the dirt! PPixie is not real choosy about who gets in on the action – but the results are always the same!

There's very little throttle control when she's working. On the right the end result is very predictable – "Another one bites the dust". The team is deployed from the 355<sup>th</sup> SFS, Davis-Monthan AFB, Arizona, and Jon Hemp (TSN) supports them.

## Undisclosed Location Southwest Asia #4 – 879<sup>th</sup> ESFS

**Left:** SSgt Krystle Draper & MWD Jop, deployed from the 49<sup>th</sup> SFS, Holloman AFB, New Mexico, get in some “self imposed bite training” and a great deal of relaxation and bonding. Steve and Lise Gattis (CRB) support Team Jop.

**Right:** MWD Jop had some first class treatment (and security) during their pre-deployment training. Not a chance of a “loose dog” flying around during this training mission. “Ladies and gentlemen, fasten your seat belt and return your tray tops to the upright position”. Eyes front and always safety first! You can’t go wrong following your training.

### And ANOTHER Leatherman Donation to OD&P!

The super-supportive folks at Leatherman have done it again, with another donation of top-notch gear for us to send directly overseas to our adopted dog handlers. This time they blessed us with more of the tough and versatile Leatherman Surge multi-tools, which have a suggested retail price of over a hundred bucks each. In addition, they donated some fantastic P7.2 super-bright LED LENSER flashlights.

The Surge tools, our signature gift for more than ten years now, are greatly appreciated by our Pups and have been used for just about everything downrange. The Surge is a fantastic combination of tools and portability; our Pups have reported using them for clearing jammed vehicle- and helicopter-mounted M240B machine guns and repairing personal weapons including the M4 carbine and M9 pistol, on missions outside the wire. Other deployed Pups have reported using them for all the everyday tasks that you would use knives, pliers, wire cutters, a saw, scissors, can opener, bottle opener, file, or large or small standard or Phillips screwdrivers for - no matter where you are. That’s a whole lot of capability in a five-inch, 12 oz. package that can be hung on a belt or MOLLE gear; something that would have been incredibly useful to all of us back during our deployments to Vietnam and Thailand.

The flashlights are a different model than Leatherman has gifted to the Old Dawgs & Pups program before, but like the other models this one is a tiny, lightweight, super bright LED light with unique focusing capabilities, great range and superior battery life. As they say on the Leatherman - LED LENSER website, “the perfect combination of size, power, reliability and easy-to-use operation.” So, once again, as we’ve said many times before in the last ten years, and will likely say again: THANK YOU LEATHERMAN!

## **Distinguished Service Coin and Certificate**

**Congratulations to Scotty Baker (Safeside) on being awarded our Old Dawgs & Pups Distinguished Service Coin and Certificate. Scotty had qualified by supporting fifteen (15) deployed MWD teams. Not one to slow down, Scotty just re-upped for his sixteenth (16) team as he was just paired with SrA Michael Castilleja & MWD JoJo from Tinker AFB, Oklahoma. Congratulations Scotty and great job.**

## **Special Thank You to our Supporters**

**We'd like to say a "special thank you" to Ron Aiello, and all of the supporters of the United States War Dogs Association, Inc., for stepping up to the plate to assist fifteen (15) U. S. Army teams at USFOR-A. Their request was just too large for us to handle and Ron and his people jumped all over the call for help. When you have a chance, please visit their website [www.uswardogs.org](http://www.uswardogs.org) YOU guys are awesome!**

**In addition, Air For Paws has provided fifteen (15) K-9 Air Resuscitation kits for these units.**

## **Special Thank You to our Supporters - Continued**

## **MWDTSA 1<sup>st</sup> Quarter Packages**

**MWDTSA Military Working Dog Team Support Association, Inc.- <http://www.mwdtsa.org>**

**Once again, we'd like to extend a VERY BIG THANK YOU to Nikki Rohrig and everyone associated with the Military Working Dog Team Support Association as they prepare to send first quarter packages down range to support our deployed troops. Along with troops from other services, they will be sending packages to Old Dawgs & Pups deployed troops again this quarter. There are troops at six (6) deployed kennel locations in southwest Asia that we support. This organization is a "CLASS ACT"! Please visit their website! More information will be in the upcoming editions of our newsletter.**

# **WE NEED YOUR HELP TO PRESERVE OUR HISTORY!**

**We're looking for U. S. Air Force Sentry & Patrol Dog handlers  
who have served at Dyess AFB, Texas?**

The members of the 7<sup>th</sup> Security Forces Squadron, Military Working Dog Section, at Dyess AFB, Texas, are attempting to contact handlers from our era to assist them in obtaining information concerning the "Old" Sentry and Patrol cemetery at their base.

They are currently in the design phase of a new kennel facility that is to be constructed in the area that the Sentry and Patrol Dogs of Dyess may have been buried.

The handlers of the 7<sup>th</sup> are reaching out to our handlers to see if any of you might be able to provide any information concerning the burial location or if anyone knows if the MWDs of Dyess might have been moved or relocated to another location in the kennel area.

If anyone has photographs, knowledge, or information on the burial grounds at Dyess they would love to be contacted so the remains of these heroes might be located and moved to a place for a proper burial and memorial before construction begins and the ground might disturb the resting place of the Military Working dogs that served at Dyess.

There are no markings or headstones showing that would assist them in locating the burial area.

Please check for any old photographs or notes that you have tucked away from your tour at Dyess and lets try to preserve the history of the Sentry and Patrol dogs that "roamed" the 7<sup>th</sup> Security Forces Squadron grounds in Texas!

If you have any information that you think could assist them in this project, please contact TSgt Daren Marshall, MWD Trainer, at 325-696-2428 or [daren.marshall@us.af.mil](mailto:daren.marshall@us.af.mil)
