(June - July - August 2018)

It's been a great thirteen-year ride.

With this edition of K-9 Supply our program will officially come to an end. Effective August 14, 2018 "Old Dawgs & Pups" will cease operation. It's been an awesome program for all of our Vietnam era handlers, supporters, friends, and sponsors. We can't begin to thank everyone for making our program a success. Without you we could not have supported our deployed handlers.

As you have heard us say for many, many years

THIRTEEN YEARS SUPPORTING OUR K-9 TROOPS!

583 MILITARY WORKING DOG TEAMS SUPPORTED!

154 Deployed Military Working Dog Kennels Supported

<http://www.war-stories.com/odap/ws-odap-index.htm>

Hello everyone! We are currently supporting two (2) kennels and three (3) deployed Air Force, Army, Navy, and Marine teams as of July 15, 2018. We will be closing the books officially on August 14, 2018 as our last teams for Southwest Asia return stateside. That will bring us to thirteen full year of operation for as “Old Dawgs & Pups” program. Once again, I’d just like to say thank you to all of you that have supported our awesome program and especially our troops and their canine partners. We are currently supporting troops at two (2) locations in Southwest Asia. We have no further troops to introduce.

Due to the worldwide security issues and concerns for safeguarding our troops, we will not be listing the names of the bases or countries, in which our troops are deployed. All locations will be listed as “Undisclosed Location Southwest Asia” (UDL).

Area of Operation Status - K-9 Teams leaving the AOR

Undisclosed Location Southwest Asia #1 – 379th ESFS: SrA Vanessa Soto & MWD VVenice should be packing to return to JBSA-Lackland, Texas. They just aren’t going to catch a break on the heat and humidity stateside.

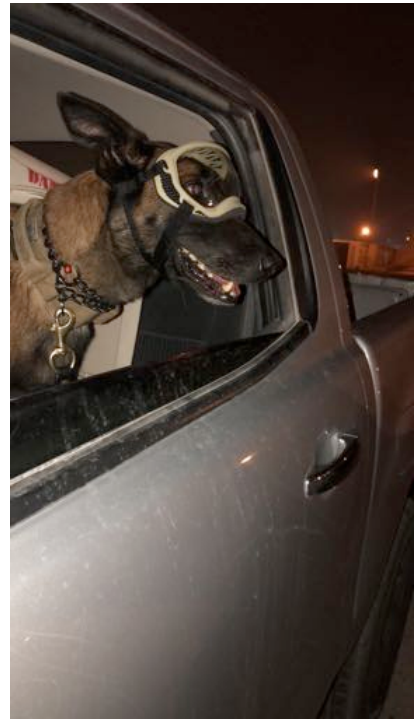

Undisclosed Location Southwest Asia #2 – 386th ESFS: SSgt Kody Rowlett & MWD Frenky are heading back to the desert of Davis-Monthan AFB, Arizona – MORE heat!

SrA Nicole Meyer & MWD Nido is getting ready to pull chocks and head back to the humidity and heat at Moody AFB, Georgia.

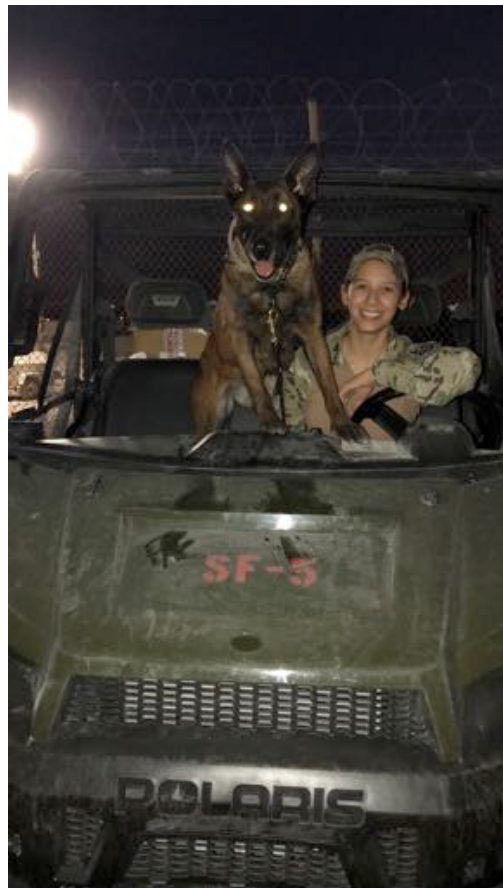

As we publish this 141st edition of K-9 Supply/Old Dawgs & Pups newsletter we’d like to salute the MWDs, MWD Handlers, Trainers, and Kennel Masters that have served so faithfully, with disregard of their own safety, world-wide in support of freedom for our country and all of the nations of the world. We thank you so much for your efforts. Way to go K-9!

Undisclosed Location Southwest Asia #1 – 379th ESFS

There are many faces of MWD VVenice – here are three! Sure got to love that face don't you?

During the recent celebration of “Police Week” MWD VVenice just wasn’t up for the event. But, like always, K-9 led the way! Even without here partner, SSgt Vanessa Soto picked up the K-9 flag and proceeded to the front of the column to represent the “A” shred. Team VVenice is deployed from the 802nd SFS, JB SA – Lackland. Steve and Lise Gattis support the team while they are downrange.

Undisclosed Location Southwest Asia #2 – 386th ESFS

Our Thailand Handler gifts have just arrived for our troopers at the 386th ESFS as their tour wraps up. SSgt Kody Rowlett & MWD Frenky and SrA Nicole Meyer & MWD Nido show off their gifts. The packages from OD&P included our “Signature” Leatherman Surge, an OD&P coin and patch. Kenten Yates (USAF) supports team Frenky and Mary Boyer (USAF) supports Team Nido.

Thanks to Leatherman for all the support Making this a GREAT thirteen-year ride!

Our journey with the “Leatherman Tool Group” began in 2005, very shortly after Bill Cummings created Old Dogs & Pups. Searching for the perfect Christmas gift for my own adopted Pup, I realized that something I take for granted now would have been incredibly useful when I was in Thailand – a Leatherman tool. Doing a little comparison-shopping I discovered that the big, heavy-duty Surge tool would be the most versatile and durable tool for combat-zone duty. I sent one to my Pup, SSgt Dave Daniels, and he was super happy with the gift and its usefulness. A few phone calls and meetings later and we had official support from Leatherman. Then-CEO Jake Nichol turned us over to one of his marketing staffers, Juli Warner (a dog lover and true K-9 Believer), and we were off to an incredible start.

Since then we’ve been able to supply Leatherman Surges, Military Utility Tools (MUTs), folding knives and flashlights to hundreds of troops in today’s war zones. The tools have been used by our Pups to fix personal weapons, clear jammed machine guns, and help fix vehicles, all on missions outside the wire. They’ve also been useful in thousands of ways inside the wire, including building a kennel complex in Afghanistan. There is no way that our program could have afforded to send these gifts without Leatherman’s generous support.

We will not forget our gratitude to the Leatherman people for creating and manufacturing such innovative, useful and durable tools in the first place; and for their extreme generosity in allowing us to gift so many useful items to our American Military Working Dog teams in harm’s way.

Thank you to our special partners

Military Working Dog Team Support Association (MWDTSA)

It's been a great partnership! The MWDTSA and Old Dawgs & Pups have been partners since February of 2006 and what a great team it has been. Dixie Whitman (who later became the President of the organization) jumped up and supported SSgt Mike Long and MWD Rambo (J146) from the 822nd SFS, Moody AFB, Georgia, on February 3, 2006, while they were deployed at Kirkuk Air Base, Iraq. The MWDTSA has continued to provide support to this day. We believe that the first MWDTSA package mailing came in November of 2008. Our programs grew and we have been a force in the K-9 world.

In August of 2015 Nikki Rohrig, took over the reigns and they haven't missed a beat supporting troops with us for more than ten years. That, my friends is teamwork. Supporting both ends of the leash, identifying needs and getting equipment for troops and dogs downrange. That's a great program.

In addition, Board Member Allison Merrill found another way to serve. "Honor Boxes" were born in 2015. A close bond was formed and Allison wanted to be sure that MWDTSA was taking care of our retired MWDs also. The focus is on older working dogs. Go to www.mwdtsa.org for more info

We could go on and on about this guy but here is the real skinny. Phil Carroll (NKP/Takhli) has been the backbone and muscle of our program since day one! He's done the heavy lifting with our sponsors and ensuring our "Thailand Handler Gifts" got downrange to our troops. Thank you Phil, it just wouldn't have been possible to hold OD&P together without you. You are in fact – "K-9 Up". Thank you for all of the hours, knowledge, and guidance to make this one of the best K-9 support programs ever.

100 Alpha Dawgs

Over thirteen years we have had the opportunity to identify one hundred individual handlers, sponsors, and organizations that have met the criteria of “Alpha Dawgs”. All of the 583 troops, sponsors, and organizations have made our program great. Here are a few examples that represent what we feel are truly “Alpha Dawgs”. Thanks to each and every one of you that show the true meaning of our program.

Congratulations for representing all of our Alphas!

Feed the Dawgs Project 2018 Schedule

The Dawgs Project

<http://thedawgsproject.com/index.html>

The *Feed the Dawgs* Project is a culmination of United States Military Vietnam Veterans, Active Duty Military Working Dog Personnel, and patriotic citizens joining together to support and recognize the dedication and patriotism of today's Military Working Dog Teams around the globe. The United States Air Force, Army, Coast Guard, Marines, and Navy deploy Military Working Dogs. We feed steak barbecues to active military dog handlers in all branches of United States service as they return from or "ship out" for "deployment" to the front lines on the War on Terror.

If you are interested in assisting in one of the projects or need more information about "*Feed the Dawgs*" please contact Jon Hemp at jonhemp@thedawgsproject.com
