Dear Sir,

I would like to let you have this historical manuscript. It is the history of the Battle of the American Embassy, TET 1968. I had it published by the MP Corps 23 years ago, but have the rights to it, and I have now updated it to make it easier to understand a very complicated battle. Hope you will consider it, it is 88 pages long.

Thanks,

Thomas L. Johnson

Gen. Thomas L. "Egor" Johnson
